ABOUT CONNECT

We are thrilled to be hosting Talley's 2018 CONNECT event for our customers. CONNECT, Talley's annual wireless event, will be taking place at our Sacramento facility on Thursday, May 17th. This event will bring 26 leading Manufacturers and 2 State Wireless Associations together to exhibit and provide the latest technologies and solutions for Carriers, Contractors, Public Safety, SCADA and FirstNet customers. Educational presentations along with hands-on product demonstrations will be available to all show attendees. CONNECT with us for the day's event of new and informative industry information, as well as food, drinks and show-stopping raffle prizes each hour. We look forward to seeing you at the event of the year!

SEE YOU IN SACRAMENTO
