ABOUT CONNECT

Talley's annual CONNECT wireless event is back this spring and will be proudly hosted at our new Dallas facility on Thursday, June 6th. This event will bring together leading manufacturers, Talley's expert Sales staff, guest speakers, and application presentations specific to the commercial wireless industry.

Applications include:

- Macrocell
- C-RAN
- Small Cell
- Microwave
- Distributed Antenna
- Public Safety
- Land Mobile Radio
- SCADA

CONNECT with us for the day's event of new and informative industry information, as well as food, drinks and show-stopping raffle prizes each hour. We look forward to seeing you there!
